

PRESCHOOL 3'S CLASS NEWSLETTER FOR APRIL 2025

Wow, it's April already! Time has flown by very fast this year and we still have lots to do! This month will be filled with the outdoors! We will look for signs of spring on walk around the school. We will learn about flowers, butterflies, birds, rainbows and all things spring!

We will be learning about the "First Easter" and how much God must love us by giving us his Son Jesus. We will be making grafts around the topic.

We will also be learning about taking care of our earth by recycling, throwing away our trash, and conserving our water among other things.

We will be examining different types of fruits and vegetables to find their seeds and discover that they come in different shapes, colors and sizes. Then we will plant flower seeds and watch them grow! When they are an inch or two tall, I will send them home!
